DATED : MARCH 03, 2006

P.C.

. Rule. Heard forthwith.

. The issue pertains to reservation in aided secondary school. Similar other issues had came before us being Writ Petition No. 4747 of 2005 and other petitions. Therein we have held that the percentage of reservation is 34%.

. Considering the above, the Management is directed within eight weeks from a copy of this order being served upon them to rework the reservation on the basis of 34% and if there be

vacancies in the open category, then to forward the proposal to Respondent No. 2 who will consider the same and pass appropriate orders according to law. It is made clear that merely because the Petitioner belongs to OBC will not stand in his way of being considered against an open seat. With the above directions, petition stands disposed of. The Education Officer on receipt of the application application for approval from the Management to dispose of the same within four weeks thereafter.
